

## After-School Robotics Club!

We are pleased to announce that we are offering an after school robotics club for HLCS scholars! In this first year our club will work on building foundational skills and leaning into curiosity. We would love to have your scholar join us. The club will run for 6-8 weeks and we hope to begin in February or March. Please return this form by: **Friday, February 7th!!**

*Please note: in order to offer this club to Kindergarten and 1st grade students we will need some caregiver volunteers! There is a place below to indicate if you or any of your family's adults would be interested in joining us.*

Scholar's Name: \_\_\_\_\_ Grade: \_\_\_\_\_

Caregiver's Name: \_\_\_\_\_
